RESPONSE TO NOTICE OF INCOMPLETE REPLY

I HEREBY CERTIFY THAT THIS PAPER IS BEING
SENT BY U.S. MAIL, FIRST CLASS, TO THE
ASSISTANT COMMISSIONER FOR PATENTS,
WASHINGTON, D.C. 20231, THIS

21 DAY OF March, 2002

PATENT ATTORNEY

Sir:

In response to the Notice of Incomplete Reply dated March 4, 2002. The Notice states that the Oath or Declaration is unsigned. Submitted herewith is a copy of the Declaration submitted in applicant's Response of January 9, 2002. Enclosed herewith also is a copy of the return postcard indicating receipt of the same by the U.S. Patent Office on January 29, 2002. Accordingly, it is believed that the Notice of Incomplete Reply was incorrect as to the insertion that the Oath or Declaration was unsigned.

The Notice also stated that applicant's drawings, which were submitted on January 24, 2002, and received by the Patent Office on February 12, 2002, were not electronically reproducible. Although the undersigned does not have the benefit of examining the drawings which were previously submitted in person, Mr. Preston Wallace of the USPTO described and provided faxed copies

of the drawings which were unacceptable on March 18, 2002. Mr. Wallace also stated in a conversation that many of the figures (figures 2-14) were damaged but that figure 1 was very good. Figure 1 was probably the top page of the sheet of drawings sent. It is respectfully noted also that the return postcard received by the undersigned for the January 24, submission was yellow in color apparently due to the decontamination process that all mail must now go through. Based on the condition of the return postcard, and the fact that figure 1 (sheet 1) was fine, the drawings previously submitted may have been damaged by the decontamination process. If that is the case, requiring a three-month extension of time fee does not seem appropriate in view that damage to the drawings would have been by the Post Office.

Applicant respectfully requests that the requirement of fees associated with this submission be waived. Nevertheless, to avoid abandonment, the Director is authorized to charge Deposit Account No. 23-1123 in the amount to cover any extension of time fees which may be required for this submission if a waiver is not granted. In filing the earlier response to the Notice to File Missing Parts, applicant paid a one-month extension of time fee. It is believed that this fee (\$110.00) should be accounted for in any further extension of time fees that may be required.

Respectfully submitted,
WESTMAN, CHAMPLIN & KELLY, P.A.
